ACCOUNT TERMS & CONDITIONS

Applicant, its guarantors, agents and sureties (hereinafter collectively referred to as "Applicant") acknowledge that in the event this Application for Credit is accepted and approved by INTERMOUNTAIN MINING TECHNOLOGY and/or affiliates (hereinafter collectively referred to as "IMT"), a credit account will be opened in the name of Applicant. Applicant agrees to each and every term and condition set forth below in consideration of the opening of a credit account by IMT. Applicant and each other person signing this application warrants and represents that the information provided on this application is complete and accurate and is provided for the purpose of obtaining credit in an amount set by IMT's credit policies and procedures. Applicant hereby authorizes IMT, and/or assignees or designees, (these entities referred to as "we" "us" or "our") to obtain credit and financial information from banks, credit bureaus, trade references and other creditors and requests each of the aforementioned to advise us of its credit experience with, and to express an opinion as to the credit record of Applicant or other such person as such party may deem appropriate and release any credit information, including but not limited to Applicant's balance sheet, cash flow statement, and income statement to us, which we may share among ourselves. Further, Applicant and each other person signing on behalf of Applicant and/or as Guarantor (defined below), agrees that we may obtain personal and/or business credit reports with respect to Applicant and each such person, in making a credit decision, in connection with the continuation of the credit provided herein, or pursuant to a subsequent application or request, or assisting in taking collection activity. Applicant understands that any decision to grant or deny credit by IMT will be made by IMT. The fact that this application contains reference to "amount of credit applied for" or "requested limit" shall not limit Applicant's liability. Applicant acknowledges and agrees that the extension of credit does not obligate any other entity to extend credit to Applicant. Applicant also acknowledges, agrees, and understands that any of us may, in our sole discretion, refuse to extend credit to Applicant in connection with any credit transaction.

ACCOUNT TERMS & CONDITIONS CONTINUED FROM PAGE 1

Applicant agrees to the following rights and responsibilities if credit is extended:

- 1. OPEN ACCOUNT PAYMENT TERMS:** Applicant agrees to pay for goods, services, leases, and other items charged to its open account upon receipt of invoice. **Payment is late if not received by IMT at 4899 West 2100 South Salt Lake City, UT 84120 within ten (10) days of invoice date for machine sales and within thirty (30) days of invoice date on all other invoices.** If no invoice is issued or received, Applicant agrees to pay upon receipt of the monthly statement or within thirty (30) days of delivery of goods or services, whichever occurs first. All amounts charged to the Applicant's open account are Applicant's responsibility. In the event a credit account is not approved, or credit terms have been rescinded, all goods and services must be paid for at the time of delivery or order. A late charge of the lesser of two percent (2%) per month and the highest rate under applicable law will be assessed on the past due balance until it is paid in full. **Applicant is required to advise IMT, in writing, of any disputed invoices or statements within ten (10) days of receipt of the same. Failure to notify IMT in writing of any dispute within such time shall constitute an absolute waiver of all such disputes by Applicant.**
- 2. BUSINESS PURPOSE:** Applicant represents and warrants that all goods and services purchased, or leased, by Applicant from IMT are for business, commercial or agricultural purposes, and not for personal, family, or household use.
- 3. DEFAULT:** Payment shall be made when due. Failure to make a timely payment or otherwise comply with the terms of this agreement shall result in a default. In the event of a default, Applicant agrees to reimburse and pay IMT for all expenses, costs, collection agency costs, and attorney fees incurred or expended by IMT as a result, whether or not suit is commenced. If Applicant becomes insolvent or if Applicant breaches any term or condition herein, or breaches any other agreement between IMT and Applicant, or if for any reason IMT deems itself insecure, IMT may terminate the agreement and close the credit account immediately. **Applicant expressly waives sovereign immunity with respect to any default hereunder and under any other agreement with IMT.**
- 4. INDEMNITY:** Applicant shall indemnify and hold IMT harmless from any and all liability, claims, losses, damages or expenses, including without limitation attorney fees and costs, arising from Applicant's negligence, breach, or willful misconduct, resulting in the death or bodily injury of any person, or the damage or destruction of any property. Applicant agrees that in no event shall Applicant or any person claiming by, through or under Applicant, have the right to claim or recover consequential damages, including but not limited to, lost profits or loss of use, concerning goods, machinery, parts, tools or services sold, leased or delivered by IMT. IMT makes no warranties, either expressed or implied, as to any goods, machinery, parts, tools or services whatsoever, including, without limitation, the condition of the equipment, its merchantability, or its fitness for any particular purpose. Operator training is Applicant's responsibility for all equipment.
- 5. GOVERNING DOCUMENTS:** With regard to any transaction between Applicant and IMT, Applicant agrees to be bound by the terms and conditions governing such transaction at the following link, which are incorporated herein by this reference: <https://imtingtech.com/>. These account Terms and Conditions and the Rental Terms and Conditions constitute the entire agreement between IMT and Applicant and supersede any prior understandings or agreements between them with respect to the subject matter herein. Except as expressly stated herein, no party to this agreement shall be obligated to the other except as set forth herein. Notwithstanding anything the contrary in any purchase order or other documents(s) issued by Applicant, IMT rejects additional or different terms proposed by Applicant or any attempt by Applicant to vary the terms herein. Any additions or modifications to these terms shall not be binding on IMT, unless they are set forth in a written document executed by a General Manager of IMT. Applicant acknowledges and agrees that if IMT receives a purchase order from Applicant, IMT has no obligation to verify its accuracy or validity.
- 6. NON-WAIVER:** Nothing contained herein shall be construed as a waiver by IMT of any lien rights or any rights which it may now have, or hereafter acquire, by law nor shall anything stated herein be construed as an obligation to extend credit to Applicant under any circumstances. No waiver or modification of any part of this agreement shall be valid unless expressed in writing and executed by Applicant and IMT.
- 7. INSURANCE & RISK OF LOSS:** Applicant, at its sole expense, shall keep leased/rented equipment insured for the term of any lease/rental and any renewals or extensions thereof, for the full retail fair market value thereof, against all risk of loss or damage including without limitation public liability and property damage. Applicant shall, on request of IMT, deliver to IMT the policies or evidence of insurance. All insurance policies must provide that no cancellation thereof shall be effective without thirty (30) days prior written notice to IMT. Risk of loss of goods shall pass to Applicant as soon as the goods are properly loaded on the carrier. IMT's responsibility for shipment ceases upon delivery of the goods to a transportation company. Applicant shall carry such fire and other insurance as necessary to protect its interest and the interest of IMT. Any claim by Applicant for shortage in shipment not made within ten (10) days after receipt of the shipment shall constitute a complete waiver of such claim. It is specifically agreed that the risk of loss shall not be altered by the fact that the conduct of either party hereto may constitute a default or breach.
- 8. SECURITY INTEREST:** To secure payment and performance of all obligations to IMT, Applicant hereby grants IMT a continuing security interest in all 1) equipment, machinery, machinery attachments, and materials; 2) contract rights; 3) inventory, chattel paper, proceeds, and fixtures; and 4) products provided to Applicant by IMT.
- 9. ASSIGNMENT:** No right or interest in this agreement shall be assigned by Applicant without the written permission of IMT, and no delegation of any obligation owed or of the performance of any obligation by Applicant shall be made without written permission of IMT. Any attempted assignment or delegation by Applicant shall be wholly void and totally ineffective for all purposes unless made in conformity with the terms stated herein. Applicant agrees that IMT may assign, sell or encumber all or any part of this account with or without notice to Applicant.
- 10. RENTAL/LEASE REPAIRS:** Applicant, at its own cost, shall keep rental/leased equipment in good repair and working order. If Applicant fails to properly maintain and repair the equipment, IMT, whether during or after the rental/lease, may repair the equipment without prior notice to Applicant. Applicant shall be responsible for all damages to said equipment beyond normal wear and tear and for the cost of repair. Rent shall continue to accrue until the equipment is returned in good repair.
- 11. CHANGE OF TERMS:** The terms and conditions of Applicant's accounts may be changed by IMT at any time, by providing notice on the above-referenced website.
- 12. MISCELLANEOUS:** Any and all contracts, certificates, invoices and other writings signed on behalf of Applicant by any employee of Applicant shall be deemed to have been executed on behalf of Applicant with full authority. Applicant shall furnish to IMT, from time to time, promptly upon request, a) complete financial statements pertaining to Applicant's operations and financial condition, in such form and detail as IMT shall request; and b) all other information and documents that IMT may reasonably request. Applicant acknowledges that by transmitting a facsimile copy, electronic copy or photocopy of this document to IMT, Applicant, and the Guarantor (if applicable) agree to be bound by the terms and conditions contained in this document to the same extent as if an original were transmitted to IMT. With regard to any transaction between Applicant and IMT, (and all matters arising out of or relating to such transactions) Applicant agrees such matters will be governed in all respects by the laws of the state of Utah without regard to any choice or conflict of law provisions. Each Party hereby irrevocably submits to the exclusive jurisdiction of the courts situated in Salt Lake City, Utah and waives all claims that such courts lie in an inconvenient forum. Applicant agrees to an inactivity fee of \$60 per year against any credit balance presumed abandoned (no activity for 12 months) by Applicant. A \$30 service charge applies to each dishonored check, similar instrument, or electronic payment received by IMT. In case any one or more of the provisions contained herein shall, for any reason, be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision hereof and this Agreement shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein. Applicant must notify IMT in writing of any change of ownership, the name of the business or structure of the business under which credit is established. IMT reserves the right to cancel its agreement to extend credit and to reevaluate the credit worthiness of the Applicant under its new name, ownership or structure. If IMT denies Applicant's application for business credit, Applicant has the right to a written statement for the specific reasons for the denial. To obtain such statement, please send a written request to IMT, 4899 West 2100 South SLC, UT 84120 within sixty (60) days from the date on which Applicant was notified of the denial. IMT will send Applicant a written statement with the reason(s) for the denial with thirty (30) days from receiving Applicant's written request.

The Federal Equal Credit Opportunity Act prohibits creditors from discriminating against credit Applicants on the basis of race, color, religion, national origin, sex marital status, age (provided the Applicant had the capacity to enter into a binding contract); because all or part of the Applicant's income derives from any public assistance program; or because the Applicant has in good faith exercised any right under the Consumer Credit Protection Act. The federal agency that administers our compliance with this law is the FTC Regional Office for the region in which we operate or the Federal Trade Commission, Equal Credit Opportunity, Washington, DC 20580.
